

Facilities

Tennis Center

64335 SaddleBrooke Blvd

Centrally located at the southeast corner of SaddleBrooke Blvd and Ridgeview, the Tennis Center is the hub of the club's activities. With its large patio, gas grill, ice machine, bulletin boards and restrooms, it is a place to gather for social events and watch tennis in the shade. You can also reserve the patio for other activities such as unit parties. The office has TV, coffee and comfy places to sit.

Tennis Courts

There are nineteen tennis courts located throughout SaddleBrooke at four different sites. The Tennis Center has eight courts, Mountain View has five courts, Desert View has four courts and the Preserve has two courts.

Ball Machines and Backboard

There are ball machines at SaddleBrooke and Mountain View. There is a backboard at one of the Preserve courts.

Tennis Center Coordinators

Your friendly coordinators staff the Tennis Center in the mornings (see hours.) An answering machine is available for after-hours requests.

Coordinators are an integral part of the STC. Here's how they help the tennis community:

- Greet members and potential members who visit or call the center.
- Manage software to create matches for Organized Play and individual requests. Post matches.
- Assist members with web site or email access issues.
- Assist new members to make a smooth transition into the STC with self-rating, email access and general information.
- Take ball machine reservations.
- Take free clinic reservations.
- Receive telephone and walk-in requests.
- Maintain member database information.

Activities for Members

Organized Play (OP)

Organized Play is the primary activity of the club. The program allows members to register for OP sessions on the STC website and be assigned to computer-generated doubles matches according to their skill level. Men's sessions take place on Tuesday and Thursday, women's sessions on Monday and Friday, and Mixed Doubles on Saturday.

Club Championship

The Club Championship is an annual event generally held over a two or three-week time frame depending on the format that year.

Free Clinics

Volunteer STC-member Pros/Instructors conduct 90-minute clinics weekly. The format, level and instructor will vary each week and will be announced via email. Members must reserve a place by calling a coordinator or signing up at the Tennis Center.

Socials

Social tennis events are often held on holidays with two hours of play followed by food and fellowship. The STC members love any excuse for a party so talented volunteers create fun formats of play and themed fiestas.

STC Communications

The STC uses email, meetings, the website and a variety of publications to keep the tennis community informed of activities, clinics, events, socials and STC news.

Website

The STC website is a most valuable tool to learn to use. There one can sign up for Organized Play, see court assignments and reservations, look up members, read important notices, learn about upcoming events and learn about the club through governing documents, meeting minutes and budgets.

Email

The coordinators and STC board members use email to inform subscribers of the most current events, issues and news. To subscribe, see instructions on the website home page or talk with a coordinator.

Meetings

There are four membership meetings per year . January, April, September and November. Exact times and locations can be found on the website.

Publications

Articles about the club, upcoming events, team accomplishments and tennis tips are published in the STC e-Newsletter or in the local SaddleBrooke newspapers.

New member orientation meetings are held throughout the year as needed.

New members are guided on how to sign up for Organized Play, how to use the website effectively, general court usage, how to subscribe to STC email and how to participate in social events.

How the STC Benefits the Entire Community:

- STC dues pay for the coordinators who help the entire tennis community with court reservations and information
- STC website provides court reservation visibility and on-line sign-up for Wednesday and Sunday lottery
- STC email system keeps subscribers informed of real-time court conditions and upcoming events/meetings
- Answering machine for reservations
- Ball machine access
- Charity events

Membership Benefits:

- Organized Play
- Team Tennis
- Social tennis play events
- Holiday parties
- Free weekly clinics
- Club Championship participation
- New member orientation
- Ability to vote
- Serve on committees
- Have a voice in the STC
