

SADDLEBROOKE TENNIS CLUB
BOARD OF DIRECTOR'S MEETING
MONDAY, DECEMBER 20, 2010
2:00 P.M. TENNIS CENTER

CALL TO ORDER:

STC President, Bob Weiss called the meeting to order at 2:05 P.M. Board members present were President Weiss, Vice President Joe Schullik, Secretary Pam Willis, Treasurer Peter Bidwell, and Director-at-Large Lynne Donovan.

NEW BUSINESS:

Bob Weiss read a letter sent to him from Allen Grodsky, chair of the HOA 1 Tennis Committee. The letter requests that the STC open the Gender Doubles Team Tennis for 2011 to all SaddleBrooke residents not just members. There were several avenues in which the STC would need to communicate this tennis opportunity to the non-member tennis playing community. The letter also stated that in the future, the STC needs to gain approval from both the HOA 1 and 2 Tennis Committees for multiple court use over a period of time.

COMMENTS FROM MEMBERS:

A lengthy discussion ensued as to the merits of the HOA 2 Tennis Committee requests and also an appropriate response to this letter. After discussing several options, it was decided to have Bill Twitty, HOA 2 Tennis Committee representative, relay information back to his committee. If the main focus of the HOA 2 Tennis Committee's concern is to secure courts for the non-member SaddleBrooke residents, then the STC will definitely make courts available. The BOD assured Bill that court availability during the Gender Doubles Team Tennis program would not be a problem. Bill agreed to take this information about court usage back to his committee.

ADJOURN OPEN SESSION:

Peter Bidwell made a motion to adjourn and Joe Schullik seconded. The motion carried and the meeting was adjourned at 3:10 P.M.

Respectfully submitted,

Pam Willis, Secretary
