Reports/Discussions:

POP Tennis. Elite's bid of \$1,200 to strip Courts 5 & 6 was accepted by the HOA1 BOD. The warranty for the court surface will remain in place. A motion was made and seconded by the Tennis Committee to strip Courts 5 and 6. At this time there is no demand for additional courts to be striped.

Saturday Prime Time Court Reservations. Scheduling of the courts on Saturday was described by Nancy Frazer. Organized play mixed doubles has first priority. Organized play reservations are scheduled starting with the Saddlebrooke courts.

ROC60. Liam Flynn reported that the HOA2 BOD gave approval for ROC 60 to be played by residents on HOA2 courts except during prime time.

HOA1 courts may only be used for USTA sanctioned games (tennis and POP tennis).

Liam Flynn reported that the HOA2 court repairs on Court 12 will be done in the spring. All courts in HOA2 have been stripped for POP tennis.

Craig MacPherson requested that yellow stripping be done as a warning by all the back gates of the Saddlebrooke courts as there is a considerable drop from the court surface to the ground.

Next Committee meeting date is February 10 at 3:30p.m. at the Tennis Center.

Meeting adjourned at 4:30 p.m.
