

## HOA2 TENNIS COMMITTEE MINUTES

January 26, 2017

### **Attendance:**

Members Present: Riley Jackson, Rick Waldorf, Sue Ayers, Steve Wehmann

Guest: Joe Cucchiella, SaddleBrooke community member.

**Call to Order:** Meeting was called to order by Riley Jackson at 3:00 pm.

**Minutes:** Minutes of the November 17, 2016, meeting were approved.

### **New Business:**

- a) Riley noted that the Strategic Plan calls for reviewing the charters of all committees to see if they fit within the goals of the Plan. He asked committee members to review the Tennis Committee charter. The Committee discussed possible goals for the coming year, including the areas of court maintenance and the pickleball issue. It was noted that any goal adopted would have to be measurable.
- b) The current issues of court maintenance were discussed. There have been some recent windstorms which have increased the overall challenges for the maintenance staff. Rick raised the question of the current method of court cleaning possibly damaging the court surface. After some discussion Riley asked Rick to get more information.
- c) An update on the HOA 1 Tennis Committee was not available.

**Old Business:** None

**Guest Comments:** Joe Cucchiella had a number of questions about the rules governing the use of the tennis courts, how they are adopted, and how they might be changed. He suggested a resource for professional information on tennis court maintenance, which the Committee will look into, with the idea of making suggestions to the HOA 2 maintenance staff, if it appears that would be helpful.

Joe also reported that there is an issue with sun reflecting off of signs on the interior of the MountainView Courts in the afternoon that is causing problems for players. Riley said he would look into this.

**STC Update:** None

**Comments from Committee Members:** Rick wanted to know about the schedule for resurfacing the Preserve Courts, as he is getting a number of questions about this. Riley said that it is in the budget for this year, but the actual timing is unknown.

Meeting was adjourned at 4:05 pm. Next meeting will be February 23, 2017.
