

HOA2 TENNIS COMMITTEE MINUTES

April 27, 2017

The 4/27/2017 meeting of the committee was called to order by Riley Jackson at 3pm. All members were present except for Liam Flynn. Linda Depew representing HOA 1 Tennis Committee and Glen George representing STC were present.

The minutes from the 3/23/2017 meeting were approved.

New Business –

1. Riley reported that he had approached Cindy about changing the lawn maintenance schedule from Tuesday at 7am so that the noise would not disrupt organized play. Cindy reported Walter Yazzie advised the schedule of the contractor performing the work would not change.
2. Riley reported that Jamie would clean courts as much as possible during this windy time of the year.
3. Riley reported that the budgeting process for 2018 would most probably start in the July/August time frame. He also reported that the fate of the 10,500 in the budget to repaint the preserve courts this year was uncertain.
4. Riley indicated that he would like to begin a process where HOA related problems raised by residents to the committee were verified before taking them to the HOA for further resolution. He suggested that when an issue arose, that he would send an e-mail to the committee seeking a volunteer to further verify the issue and report back. All members present were satisfied with this approach.
5. Linda Depew reported that the rebuild of courts 1-4 was on schedule. She also advised that they had invited pickleball representatives to their meeting.

Old Business

1. Riley reported the issue with the reflective signs causing a sun issue on some courts had not yet been resolved.
2. Regarding the new benches, Riley reported that apparently the wrong type benches had been delivered and the HOA was working to resolve this.
3. The issues with the ball machine not working has hopefully been resolved. This was related to them not being operated correctly, and instructions have been provided.

Riley indicated that unless an issue arose that required a meeting in May, we could very well cancel the meeting, and he would communicate with members via e-mail before doing so.

There were no further comments or questions from those present, and the meeting was adjourned at 3:25pm.
