Meeting Recap

Subsequent to this meeting, at their first official meeting on 5 January 2018, the new HOA2 BOD disbanded the tennis committee. Thus it turned out that this was the last meeting of the tennis committee. The main thrust of this meeting was to make HOA2 personnel (Walter) aware of the continued need for maintenance on the courts and the fact that the maintenance was not getting done. The following items were discussed.

1. Preserve wind pennant needs replacement
2. New benches needed on all courts
3. Preserve courts need resurface
4. There is a bad crack in court 12.
5. The ball collector on court 13 needs to be replaced.
6. The net on court 10 needs to be replaced.

Walter agreed that these issues needed to be addressed and that his team would work on them as they have time. He pointed out that there are many other issues that need to be addressed, with transition, new golf courses, and renovation underway.
